Create my order

To create a new order navigate to the 'Orders' tab, this will display the below screen.

Click on the 'New Order' button located at the bottom right of your web browser screen (highlighted in the above screen image).

You will be presented with the next screen (see below) where you can select your Account/Customer if you have more than one account or delivery location, otherwise you will only see one Account/Customer.

Castrol Express Orders

Create my order (continued)

Toggle here to see all our products or your most frequently ordered products

You can view all our available products by selecting the toggle bar, to show 'All Products'.

The 'All Products' view will group the products by product family (EDGE/MAGNATEC/GTX etc.), you can expand the families by pressing the '+' box next to the category name.

Select the product/s, enter quantity and click on '+' symbol to add to your basket
*Remember to order by each's not carton quantity

Select your usual delivery method

Download the latest Safety/Tech Data Sheets

Once you have selected your account / location, by default this will load a screen showing a list of most ordered products by the delivery location you have selected. The list will display from the most frequently ordered product at the top, to the least ordered at the bottom.

To **order products** simply enter the quantity you require and press the '+' symbol next to the quantity and these will be added to your basket. Also select your usual delivery method; either 'Pump' for those products that we dispense into a tank or 'Drop off' for pack deliveries.

To **remove products** from basket you need to click the trash icon and the product will be removed from the basket.

If you wish to **change the quantity** of product which has been added into basket, you need to enter a new quantity number in the basket.

Once you are satisfied with your order entry, press the green "Next" button at the bottom right of the screen.

Order requirements

Below screen image shows the next screen that you will see in this sequence. Here you can; detail your order delivery instructions, check your delivery address, as well as verify your product selection and quantities.

The screenshot shows the 'Order Requirements' screen in the Castrol Express system. The page is divided into three main sections: 'Delivery Address', 'Order Requirements', and 'Basket'. The 'Delivery Address' section displays account details and the address: 73 REMEURA RD, NEW MARKET, AUCKLAND 1149. The 'Order Requirements' section includes a 'Customer Order Reference' field, a 'Deliver By Date' field with a 'Clear Selection' link, and a 'Delivery Instructions' text area. The 'Basket' section shows a product: 3372471 MAGNATEC PROF C2 5W-30 208L MY, with a quantity of 24 and an estimated delivery date of 05/07/2019. The net volume is 4,992.00 LT. Callout boxes highlight: 'Check your delivery address details' (pointing to the address section), 'Detail any delivery instructions' (pointing to the delivery instructions text area), and 'Verify products and quantities' (pointing to the basket item).

There may be times where items are out of stock. If a product is out of stock a message will pop up asking you to either continue and the product will be placed on Back Order (if your account is set up to accept Back Orders) or to return to the basket.

The screenshot shows a 'Stock Alert' pop-up message. The message states: 'The following items are currently out of stock: 3372471 MAGNATEC PROF C2 5W-30 208L MY. Continuing with these items in your basket will affect your delivery date.' Below the message are two buttons: 'Continue' and 'Return to Basket'.
